The Rare Wine Company Historic Series Madeiras

America's leading merchant of rare, old Madeiras teamed with Vinhos Barbeito's owner, Ricardo Diogo Vasconcelos Freitas, to create the Historic Series – affordable Madeiras that reflect the style and complexity of the great, vintage wines. To emphasize America's deep connection to Madeira, each wine in the series was named after a U.S. city where Madeira was popular in the 18th and 19th centuries.
